## **FACTS**

Plaintiff, Andrea Constand, brought this civil action against defendant, William H. Cosby, Jr., asserting claims of battery, sexual assault, intentional and negligent infliction of emotional distress, defamation/defamation per se and false light/invasion of privacy. Plaintiff, allegedly a Canadian citizen, alleges that she met defendant while she was employed at Temple University in Philadelphia, Pennsylvania.

The crux of plaintiff's complaint is that, while alone with defendant at defendant's Pennsylvania home in January 2004, defendant deceived plaintiff into ingesting a drug which caused her to become semi-conscious. According to plaintiff, defendant thereafter sexually assaulted her. Defendant denies plaintiff's allegations. In March 2004, plaintiff moved from Philadelphia to Ontario, Canada.

In January 2005, plaintiff reported defendant's alleged actions to the Durham, Ontario police. Plaintiff alleges that, after she spoke to police, she and her mother had telephone conversations with defendant. She further contends that after she reported defendant's alleged actions to the Durham, Ontario police, defendant and/or his authorized representatives knowingly made false statements to the media about plaintiff. The Durham Ontario police subsequently referred plaintiff's case to police in Pennsylvania. The District Attorney of Montgomery County, Pennsylvania decided not to file criminal proceedings against defendant.

In March 2005, plaintiff filed this civil action. Plaintiff alleges that defendant's conduct has caused her, among other things, "mental anguish," "post-traumatic stress disorder," "the loss of enjoyment of life's pleasures," "a set back in her education," and a "loss of earnings and earning capacity." Plaintiff seeks an award of compensatory damages plus reasonable attorneys' fees, interest, costs, punitive damages and other unspecified relief.

The parties currently are conducting discovery. To test plaintiff's allegations and prepare his defense, defendant seeks documents and testimony from several individuals and entities located in Ontario, Canada. Unable to procure these documents and testimony through domestic channels or agreement, defendant has applied to this Court for assistance. Defendant sought an international letter of request to the appropriate court in Ontario, Canada in order to obtain the documents he seeks. This court granted defendant's request and issued this letter.

Within two months of her relocation from Philadelphia to Ontario in March 2004, plaintiff enrolled in classes at Reaching Your Potential School, a school of polarity training. Reaching Your Potential since changed its name to Realizing Your Potential. Realizing Your Potential School of Polarity Therapy Training possesses documents concerning plaintiff's educational endeavors and her potential earning capacity. Defendant is entitled plaintiff's educational records to the extent that such records may bear on the truth of plaintiff's allegations that Defendant's actions caused her a loss of continuity in her education and a loss of earnings and earning capacity. Defendant is also entitled to these records as they may bear upon plaintiff's state of mind in general after the alleged attack.

**PRAYER FOR RELIEF**

This Court hereby prays that the appropriate court in Ontario compel Realizing Your Potential School of Polarity Therapy Training to produce all documents in its possession concerning plaintiff, including but not limited to all: correspondence, applications, registration forms, performance evaluations, transcripts, and/or documents that reflect the reason she terminated her relationship with the institution. Such records are relevant and necessary as a matter of pre-trial discovery for purposes of this litigation. Realizing Your Potential School of

Polarity Therapy Training is outside the subpoena power of this or any United States court and the documents sought are not otherwise obtainable by the defendant.

**AUTHORITY**

This Court has the inherent authority to issue an international letter of request. This inherent authority is recognized in the United States Federal Rule of Civil Procedure 28(b), and Title 28, Section 1781 of the United States Code.
